

**JURY INSTRUCTIONS – Elements of prohibited possessor under  
A.R.S. § 13-3102(A)(4) ..... Revised 3/2010**

A defendant on trial for misconduct involving weapons as a prohibited possessor is not entitled to a jury instruction which requires that the prohibited party possess the weapon with either an “intent to control the use and management” of it or “with the power and intent to guide or manage.” That language goes beyond the elements of the statute, which only require that the prohibited possessor knowingly possess the weapon. *State v. Cox*, 214 Ariz. 518, 155 P.3d 357 (App. 2007); A.R.S. §§ 13-3102(A)(4), 13-105(30) and (31).
